Princeton University

“Name of assignment or project: Survey of College Applicants in Mexico City”

\$40,000

#### **OTHER PROJECT LEADERSHIP (SELECTED)**

*Creating a [Comprehensive File for the Understanding America Study](#) (2017-Present).* The UAS Comprehensive File merges the data from a number core surveys in the UAS that are repeated every two years. It includes basic demographics as well data on cognitive tests, personality, financial literacy, subjective well-being, several surveys dealing with financial management, preparation for retirement and knowledge of Social Security rules, health and retirement (including the harmonized version of the UAS-Health and Retirement Study. The Comprehensive File also supports the UAS-visualization toolkit.

*Feasibility of Conducting a Randomized Control Trial of Enseña por México (2016).* At the request of Teach for All, RAND analyzed the feasibility and convenience of conducting impact evaluation under a set of alternative scenarios. PIs: Perez-Arce, Mihaly

*Indicators of Economic Opportunities for Youth in the Arab World (2014).* RAND assisted Silatech, a non-profit organization focused on enhancing Arab youth employment and engagement, in the development of indicators to help the organization track and improve its operations and maximize positive impacts on the lives of Arab youth. RAND provided practical recommendations on the management of the system as well as a set of guiding principles for implementation. PIs: Constant, Perez-Arce. [LINK](#).

*Capital Investment Budget (2013-2014).* The objective of this study is to work with the Kurdistan Regional Government Ministry of Planning (MoP) to support continued improvements to the investment budget process. The overarching aim is to enhance the MoP's process for Managing, prioritizing and assessing projects proposed through the annual investment budget process. PIs: Burger, Perez-Arce.

## HONORS AND AWARDS

Silver Medal Award 2013, RAND Corporation  
Fellow of the Woodrow Wilson Society, Princeton University, 2009-2010  
Industrial Relations Section Summer Stipend, 2009  
Princeton University Fellowship, 2005-2009.  
Princeton Graduate School Summer Research Fellowship, 2005-2008.  
ITAM Fellowship, 2000-2004.  
Mención Honorífica, ITAM 2004

## TEACHING AND ADVISING EXPERIENCE

Pardee RAND Graduate School

*Dissertation Committee Member*  
Sung-Bou Kim, "Impact of Trade and Labor Market Policy on Labor Market Outcomes of Youth and Women in Newly Industrialized and Developing Countries"

Instituto Tecnológico Autónomo de México

*Instructor*  
Contract Theory, Undergraduate Level

Princeton University
